<input type="checkbox"/> Signature			
Summary			
<p>Web Interface for Citrix Metaframe XP Presentation Server provides access from any platform to any application over any network and this in a web-based environment. For this environment, VASCO offers a solution to avoid that unauthorized users may try to exploit the static passwords used for the "Virtual Workplace" to their advantage.</p>			
Supported partner products			
<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Citrix NFuse Classic 1.5, 1.6, 1.7 <input checked="" type="checkbox"/> Citrix NFuse Elite 1.0 <input checked="" type="checkbox"/> Web Interface 2.0 or higher <input checked="" type="checkbox"/> Citrix Secure Gateway (CSG) <input checked="" type="checkbox"/> Citrix Metaframe Secure Access Manager (MSAM)
