

INDUSTRY FOCUS

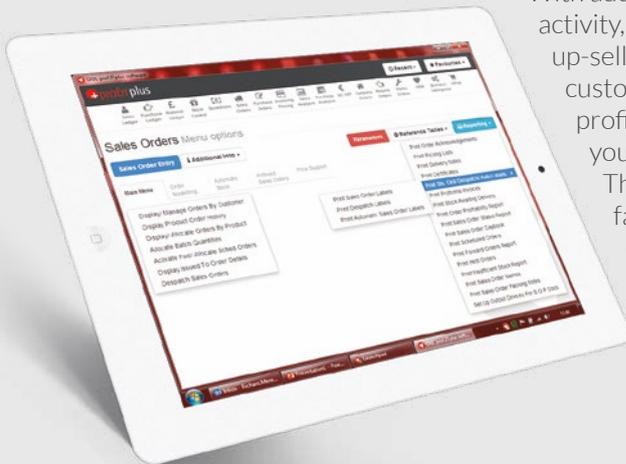

Software for the Plumbing and Heating Supplies industry

Accurately automate your processes and streamline your business

We have many customers that supply the Plumbing and Heating industry who are already benefitting from prof.ITplus.

Our Business Software system improves the visibility and clarity of hundreds of transactions and gives businesses complete control over their core processes.

With added insight into customer activity, prof.ITplus helps you to up-sell to both new and existing customers, by enabling you to profile customers and market your product effectively. The powerful search facilities will keep you one step ahead of your competitors in terms of market research and pricing.

At a glance

-  Company-wide visibility
-  Automated, intuitive order processing with less human intervention
-  Respond faster to changing market conditions
-  Effectively implement kitting processes and increase despatch speed
-  18 fully integrated modules seamlessly work together

prof.ITplus software

Why choose prof.ITplus?

If you are looking to increase profit, productivity, and sharpen your business processes, prof.ITplus is for you. Once installed, you will see a significant reduction in time spent on manual processes (such as stock taking and back office procedures), and an increase in staff morale due to having implemented an easy to use, quality system designed for your industry.

prof.ITplus can help you:

- ✔ Increase turnover
- ✔ Speed up internal processes
- ✔ Manage high volumes of stock
- ✔ Drive your business to the next level
- ✔ Boost your profitability
- ✔ Remove costly human error
- ✔ Support business growth

Let your business be the next one to discover the power of prof.ITplus.

Learn more ... Our other products & services

One of the key strengths of OGL is that, as well as our Business Software division, we also have other divisions dedicated solely to the provision of IT Solutions and Cyber Security. Meaning we can take care of your business software requirements and

your infrastructure and security needs. We have many specialists in our IT Solutions and Cyber Security divisions who can work seamlessly alongside our Business Software Consultants to offer the full IT package.

 BusinessSoftware  ITSolutions  CyberSecurity

All taken care of, by experts.

Don't just take our word for it...

“ Since implementing prof.ITplus our business has significantly increased, the system has grown as we've grown. It's revolutionised our warehouse. ”
