

**Enhancing Skills,
Building Careers**

**Discover the satisfaction of working
for a leading technology company**

Why OGL?

The technology industry is never dull, with product and service advances happening all the time. That means no two days are ever the same.

OGL Computer has progressed with these advances and, through hard work and dedication, has become a leading technology company with over 40 years' experience and 260 staff. There's not many IT companies like ours that have stood the test of time; a rarity in the industry.

Working for OGL Computer means you'll be part of the ever-changing world of technology but will have the security of a business that has been around since 1976.

What we offer

Every employee is entitled to attractive salary packages, development opportunities, 25 days' holiday (plus eight days' bank holidays), private healthcare, company pension scheme and free on-site parking. Many of our roles also attract company cars, laptops, mobile phones and the chance to earn commission / bonuses.

At a glance

- ✓ Long-standing, reputable business
- ✓ Modern working environment
- ✓ Wide range of careers
- ✓ Recognition through our Staff Awards
- ✓ Friendly team of people

✓ New, modern workspaces for all

You'll work at one of our two Worcestershire offices – Kidderminster or Stourport-on-Severn. We are currently undergoing a multi-million pound renovation of all our offices to provide the very best in modern, open plan, bright workspaces for our people. If you're not lucky enough to be in one of our new offices when you join OGL, you soon will be.

✓ The very latest technology to work with

If you take up one of our technical roles you'll be working with the very latest IT products and services from global names such as Microsoft, HP, WatchGuard and Kaspersky. We are fully accredited with a whole host of global partners and offer the chance to regularly receive product training.

✓ Family Heritage

Despite our corporate size, our family heritage remains strong within the company which has enabled us to provide a friendly, ethical and socially responsible working environment.

✔ Active in the community

We do as much as we can to support good causes, charities, schools, technology colleges and not-for-profit organisations that need a helping hand. We're up for most things; sky dives, bake offs, mud runs amongst other activities. Our good deeds also extend further afield as we like to contribute to as many of our customers' charitable endeavours as we can, who are based throughout the UK.

✔ Staff Awards

We very much appreciate the hard work of our staff, and hold Staff Awards to recognise the brilliant contributions of our employees. We also recognise long service with special awards at key milestones.

✔ We hope you like to party!

We love a party at OGL and have held a couple of great ones for all employees and their partners at the Chateau Impney Hotel in recent years. As well as departmental social events throughout the year.

Don't just take our word for it...

“ They gave me the opportunity to learn and develop into the role I have today. ”

Alex Barnett, Sales Consultant

“ It's a really varied role and no two days are ever the same. ”

**Simon Brooke-Bills,
Internal IT Engineer**

“ Staff here are great at making you feel valued and nurtured. ”

**Annaliese Oliver,
Software Co-ordinator**

“ Within OGL there is a real desire and drive to be at the forefront of technology, this attitude opens up a host of opportunities and experiences for its employees to develop and enjoy. ”

**Scott Willmott,
Technical Architect**

About OGL Computer

You will need to be hardworking, enthusiastic and talented to join our team here at OGL and in return we'll offer you a great career at a leading technology company.

There's currently 260 of us across our two sites in Kidderminster and Stourport-on-Severn. We all work as one big team in a professional, customer-focussed environment, to deliver excellent IT solutions, business software and cyber security to our 1,200 UK-based business customers.

As well as offering excellent roles for technology-minded people, we also need people who aren't necessarily IT-savvy (although it can be a bonus!) in departments such as Administration, Marketing, Finance, HR and Site Management.
